

## Diorama Book Report

# Assembling Directions

### Materials Needed:

- Planning Template	- Pencil
- Good Copy Templates	- Color Pencils, Markers
- Diorama	- Shoebox or other similar box, Craft materials you find around the house to create your diorama scene, scissors and glue
- Success Criteria	- Pencil

1. Create a scene from the book inside the shoebox. Create the background using paper or paint and add 3D objects to bring your scene to life.
2. Organize your information using the planning template. Check your spelling and make sure you have included enough detail.
3. Complete a good copy using your planning template. Check your work carefully. Glue the good copy onto the outside of the box. Use the labelled diagram below as a guide.
4. Bring your completed diorama to school no later than Tuesday, January 26, 2016.

## **Diorama Book Report Success Criteria**

- I have chosen a book that I can read by myself. The book is fiction (a narrative or story) and might be a chapter book.
- I have read the book.
  
- I have thought about the main character and can talk about what this character is like.
- I have chosen a character trait (brave, caring, adventurous, curious....) and have explained how I see the main character using this trait in the book.
  
- I have described the setting of the story by naming the place and time the story takes place. I can say if the story is happening now, in the past, or in the future.
- My diorama shows the setting clearly.
  
- I have written a paragraph that tells what happens in the story (but I don't give away the ending)
- My paragraph has a topic sentence and a concluding sentence. I have three detail sentences in the middle.
  
- I have worked carefully, checking my spelling and punctuation.
- I have read my work out loud to check that my ideas are complete and clear.
- I have glued my information on the outside of the box, following the labelled diagram.
  
- My diorama is a scene from the book that I really enjoyed, or that I thought was very important to the story.
- I have made my diorama with details that help to bring my scene to life.
