

IT'S NOT A BOOK STUDY - IT'S SO MUCH MORE!

ALL EDUCATORS INVITED

The Northeastern Ontario Mathematics Leadership Network (MLN) is inviting all educators in the region to join them in their learning specific to Dr. Cathy Fosnot's foundational work.

Not a Book Study is new thinking about designing a professional learning experience that enables participants to decide where, when and how they choose to participate.

DESIGN YOUR OWN LEARNING JOURNEY BEGINNING THE WEEK OF APRIL 10th

Cathy Fosnot will lead the learning each week on VoicED [Internet] Radio

Embark on new learning using collaborative technologies:

- explore the ideas that are most relevant to you on one or more platforms;
- learn wherever you are most comfortable;
- time and location are flexible as is the learning platform you choose;
- contribute as much or as little as you have time for in any given week - you design your learning plan.

Register here to receive email updates and regular newsletters.

Follow the website for a notification when new learning is posted.

The book: *Young Mathematicians at Work: Constructing Multiplication and Division*
